**Subject:** RRT 6 - 8 9 Gold King mine spill conference call today 1:30 p.m.

Gentlepersons:

Kay Lawrence, EPA, chaired the call. Lance Richman moderated.

EPA staff from region VIII participated, as did AZ DEQ and Poison Control. NV Environmental also on the call.

Jeff Smith, BOR. Two FS participants; one ATSDR. One FEMA R 8.

FWS from NM.

Kay gave update on EPA work in Farmington, NM re EPA and Navajo Nation sampling and EPA's providing water, hay and feed for livestock. Also meeting at chapter houses and working with NPS sampling San Juan River where it meets Lake Powell.

UT, USGS, NPS cooperating re sampling upcoming.

Press releases came out...Durango now using river water. NM also ok'd use of water.

Kay will get us updated sampling map shortly.

Region VI is also sampling and hauling water.

BOR working with EPA, others, more sampling to come.

R 8 stabilizing mine site, will have more info later.

I mentioned WSJ article in today's paper re Gold King mine and others, which link I have already forwarded to you.

Until Lance's bullets come out, that's all folks.

Doing again tomorrow.
